SUSSEX COUNTY'S GOT LOVE FOR DACA

A Rally in Support of Our Dreamers

NEWTON, NJ - On **Saturday, February 17th at 11AM**, the Sussex County chapter of the National Organization for Women will be rallying at the Newton Green in support of Dreamers and to call on our elected officials to pass a clean Dream Act. During the 2017 campaign cycle, our State Assemblymen and State Senator made their opposition to becoming a sanctuary state a central tenet of their campaign. We are hearing from our community that local anti-immigrant sentiment has risen, and so we want to come together to show our love and support for our immigrant friends, family, and neighbors--including our Dreamers--right here in the Sussex County area.

Participants are encouraged to please bring signs featuring real, verifiable facts about DACA, so that we can form a wall of truth and love around the Green in support of our Dreamers. Hopefully in doing so we will help to educate all those who pass by during our demonstration regarding the many ways that Dreamers make our nation stronger.
